**【2】** If your child has not been offered a Primary One discretionary place at the present stage, you will be informed by the Education Bureau in mid-January 2024 in writing to go to a designated Central Allocation Centre to make your choices of schools for Central Allocation. If you have registered as ePOA users and bind your account to "iAM Smart+", you may also choose to submit the Choice Form through electronic means. Further details will be announced in due course. Each child will be allocated a Primary One place according to parental choice as far as possible. Parents may still place our school as the first choice or include our school in the school choices in Central Allocation.
