

Hot Task

Once upon a time, there were two friends, Lloyd and Olivia. Lloyd is adventurous and outgoing, but Olivia is introvert and quiet.

One windy day, Lloyd wanted to go to the haunted forest, but Olivia didn't. "It might be dangerous and horrifying" Olivia said, clearly uncomfortable and scared "Come on, it'll be fun!" Lloyd begged. Eventually Olivia gave in and decided to go to the haunted forest with Lloyd.

In the forest, there were spiders and snakes crawling around. Olivia shook in fear "I want to leave." She trembled. "Let's go deeper into the forest!" Lloyd said excitedly. Ignoring Olivia's discomfort. They both walked deeper into the forest and then suddenly, a glowing door appeared in front of them. Lloyd was curious so he went in. Olivia groans in annoyance as she walked in too.

Tey fainted after going inside the door. Lloyd slowly opened his eyes and grunted "Where are we?" Lloyd looked around. "Wait, are we in a different realm?" Lloyd asked. In an instant, a shadow appeared in front of Lloyd. "You are in a different realm" The shadow replied. It then disappeared. Olivia woke up eventually too. She cried. Lloyd comforted Olivia and reassured her "Don't worry we'll find a way out." He smiled. They both stood up and looked around "Olivia can you see Ninjago City and Megapolis a-and Ampibia?" Lloyd squealed happily. They both walked around and they finally found an exit. They had a fun and an exciting day.
