## Digitalisation of POA Application

In line with the “Smart Government” strategy, the EDB has fully implemented digitalisation of POA. Parents / Guardians can choose to submit applications and view the results of discretionary places admission and central allocation via ePOA (URL: <https://epoa.edb.gov.hk/login?lang=en> or scan the QR code on the right).

If parents / guardians wish to use the above-mentioned electronic services, they have to register their ePOA accounts via the “iAM Smart” mobile app (URL: <https://www.iamsmart.gov.hk/en> or scan the QR code on the right). Parents / Guardians who have bound their accounts to “iAM Smart+” can submit applications for admission to P1 and view the results of discretionary places admission and central allocation through ePOA. Parents / guardians who have bound their accounts to “iAM Smart” can view the results concerned through ePOA.

To facilitate parents’ / guardians’ understanding of the application procedures for ePOA, please make reference to the relevant PowerPoint, videos and Parent’s Guides uploaded to the EDB’s Resources on ePOA (URL: [https://www.edb.gov.hk/en/edu-system/primary-secondary/spa-systems/primary-1-admission/poa\\_eplatform/index.html](https://www.edb.gov.hk/en/edu-system/primary-secondary/spa-systems/primary-1-admission/poa_eplatform/index.html) or scan the QR code on the right) [EDB’s website (<https://www.edb.gov.hk>) > Education System and Policy > Primary and Secondary Education > School Places Allocation Systems > Primary One Admission System > Resources on ePOA].
